Poslouchej slova

Nauč se rozeznávat hlásku na začátku slova sluchem. Nahlas pojmenuj to, co je barevně v rámečku, zapamatuj si první hlásku, kterou slovo začíná, a pak vyhledávej další slova, která začínají stejnou hláskou. Například Banán – Bubínek. Obrázky vybraných slov vybarvi. Počáteční hlásku si můžeš říkat i u obrázků slov, která zůstanou.
